

Beyond the Secret

Best-Seller, over 30,000 copies sold, now in 3rd printing.

The Law of Attraction says we can have anything we want. But, can that abundance contribute to ourselves *and* the good of others and the well being of the entire world? With wisdom and humor Dr. Lisa Love shows how to use the Law in a spiritual rather than an egotistical way showing how to use the Law of Attraction as a tool for spiritual growth.

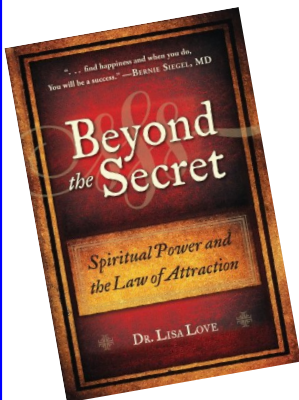

Dr. Lisa Love

**The greatest secret isn't knowing how to wish;
it's knowing what to wish for!**

In this afternoon workshop you will:

- Learn the **Ten Step Process** that helps you attract what Spirit most wants for you to have in life.
- Change "Ask, Believe, Receive" to the more spiritual formula of "**Surrender, Align, Contribute.**"
- **Apply spiritual strategies with practical strategies** to attract what will truly make you happy in life.
- Discover how to attract and transform "**you**" into "**YOU**" or your higher spiritual self so your wishes and desires are anchored in spiritual principles.
- Access **over 30 practical techniques** that help you manifest what you want in life in a spiritual way.
- Discover your **spiritual purpose** for being here.
- Start NOW to attract more of what Spirit really wants for to **live a truly loving and fulfilling life!**

"Reading this book will help you find happiness and when you do, you will be a success." — Bernie Siegel, MD

Dr. Lisa Love is the best-selling author of *Beyond the Secret*. A counselor with five degrees, in Marriage, Family, Child Counseling, Spiritual, and Transpersonal Psychology, she uses her extensive training and experience to coach, write and teach on joy, spirituality, love, relationships, dating and the spiritual use of the law of attraction. www.doctorlisa.com
